To Our Valued Customers

We appreciate your continued support of Whidbey SeaTac Shuttle & Charter. Due to unforeseen increased operating costs in 2022 and 2023, we will be making a small price adjustment to our base shuttle fare by \$3.00. This price increase will take effect on January 19, 2023. As a company we held off on the price increase until after the holiday travel season.

The combination of:

- Gasoline and propane fuel prices
- Ferry fare Increases
- State Employment Fees: increased minimum wages, LNI, and employment security.
- Over-all inflation impacting our vendors and suppliers' pricing, including commercial vehicle insurance premiums are at an all-time high.

This price increase allows us to retain quality employees and maintain safe on-time operations. While this was a difficult decision to make, we know the effect it will have on our customers, and we appreciate your understanding. Our goal is to deliver the highest quality transportation services possible for airport ground travel. If you have any questions, comments, or concerns, please contact us at 360.679.4003 or email reservations@seatacshuttle.com
